

MORE THAN WORDS PROGRAM® BY HANEN®

FOR PARENTS OF CHILDREN WITH AUTISM OR SOCIAL COMMUNICATION DIFFICULTIES

Equipping You With the Tools Needed To Help Your Child Reach Their Fullest Communication Potential

The *More Than Words*® program was designed specifically for parents of children ages five and under on the autism spectrum and with other social communication difficulties. Addressing the unique needs of these children, the program provides parents with the tools, strategies and support they need to help their children reach their full communication potential. The program is led by EarlyEd's Hanen® certified speech language pathologists.

The program consists of:

- 8 parent training sessions in small, personalized groups
- A pre-program consultation for you and your child
- Three individual home visits for you and your child throughout the program with a speech-language pathologist.

The program will run for **12 weeks** commencing 5 September 2018 with group sessions running Wednesday's from 10am—1pm at Pendle Hill.
