EarlyEd's Friendship Skills Lego® Group is open to pre-schoolers or school aged children with difficulties or delays in social communication.

It is designed to help children to develop skills in:

- Sharing
- Turn taking
- Engaging with peers
- Initiating positive interactions
- Responding to interactions appropriately
- Communicating in social settings

The group encourages social interaction, communication, and collaborative play skills in a supportive environment. Intervention staff will provide opportunities for parents/caregivers to develop strategies to support their child's social skills across a variety of settings.

The program includes:

- One individual goal setting session (1hr)
- *Home visits will incur a travel cost*
- Three group sessions (1.5hrs each)

Early intervention for
children with disability

** The cost can be covered using NDIS, HCWA/Better Start, private health insurance, Medicare & private funds.*
