

# READY OR NOT? TOILET TRAINING PROGRAM FOR PARENTS & CARERS

## Are you thinking about toilet training your child?

Learn strategies to make your child's toilet training experience easier.

### Who is the program for?

If your child has a disability or is experiencing delays in their development, then toilet training could be more challenging for them. This program is designed for parents who:

- Aren't sure whether to start toilet training their child
- Have tried but it isn't going well
- Want to start sometime in the future.

### After doing this course, parents will either:

- Wait longer because they realise their child isn't ready
- Keep persevering using new ideas
- Feel their child is now ready to start

This is a comprehensive program consisting of three group parent training sessions and an individual goal and strategy session.
