

# Ready children, Ready family, Ready school makes for a smooth transition to school

## STARTING SCHOOL - INFORMATION session FOR CHILDREN WHO MIGHT NEED EXTRA HELP

FREE

Starting school is a big step for your child and family. It can take many months to be ready. Every year EarlyEd offers a comprehensive Transition to School program which:

- develops the skills your child needs to be ready for learning
- helps families find ways to support their child's learning
- supports families to connect with and organise enrolment at school

Our program includes:

- individual and group support
- parent workshops
- support of preschool / child care

Early intervention for  
children with disability
