

# READY OR NOT? TOILET TRAINING PROGRAM FOR PARENTS & CARERS

## Are you thinking about toilet training your child?

Learn strategies to make your child's toilet training experience easier.

### Who is the program for?

Toilet training can be more challenging for children who have difficulties acquiring developmental skills. To help parents with practical strategies to make your child's toilet training experience easier, EarlyEd offers the Ready or not? Toilet Training Workshop for Parents and Carers.

### After doing this course, parents will either:

- Wait longer because they realise their child isn't ready
- Keep persevering using new ideas
- Feel their child is now ready to start

This is a comprehensive program consisting of three group parent training sessions and an individual goal and strategy session.
