

Getting Ready to Learn for School

HAND SKILLS PROGRAM

Concerned about your child's fine motor skills or how they use their hands to do things for themselves?

Is your child starting school next year and ready for writing and drawing?

Designed for parents of all children 3-5 years (starting school or childcare in 2023).

Two part workshop supporting your child's individual needs + One targeted planning session with the Occupational Therapist.

Never joined an online workshop? All you need is a tablet or computer to join us!

2022 SESSION DETAILS:

GROUP SESSION: Tues 22 Nov 7:00pm-8:30pm

Is your child's body ready for using their hands?

Individual planning session between 23 Nov and 5 Dec

GROUP SESSION: Tues 6 Dec 7:00pm-8:30pm

Using their hands in everyday routines and school readiness activities.

Cost: \$512.91 Based on NDIS pricing guidelines. Travel charges may apply.

**The costs of this program can be covered using NDIS funding.*

Presented by Occupational Therapist and Early Childhood Interventionist with extensive experience supporting children of all abilities and their families

BOOKINGS ESSENTIAL. You will receive the online meeting link for each session.
