

EARLY LEARNERS GROUPS

For young children (3-6yrs) with delays in development or a disability and their families

A program developed by our Occupational Therapist and Educator. A new program starts each term:

- focussing on your child's individual developmental goals needs
- providing parents/carers with support and information to incorporate activities into their family and community life.

This group program is designed to build the skills of:

- your child to take part in learning that helps them to fully participate in family life, and early learning experiences
- parents to support their children's learning and development.
