

EARLY LEARNERS GROUP

For young children with delays in development or a disability and their families.

The program is developed by our Occupational Therapist and Educator and is offered each term:

- focussing on your child's individual developmental goals and your needs.
- providing parents/carers with support and information to incorporate activities into their family and community life.

This group program is designed to build the skills of:

- your child to take part in learning that helps them to fully participate in family life, and early learning experiences.
- parents to support their children's learning and development.
