

Early intervention for
children with disability

I am worried about the big switch from childcare to school. What happens if my child can't cope? How will my child join in if they can't talk? How can I help my child be accepted at school?

IS YOUR CHILD STARTING SCHOOL IN 2024 OR 2025?

FOR FAMILIES OF CHILDREN WITH A DISABILITY OR DELAY IN THEIR DEVELOPMENT

JOIN FROM ANYWHERE.

Not used telepractice before? We can help you join in.

This Program includes topics for parents to prepare their child for school, individual meetings to understand your child's needs and group sessions to help you create a transition plan. You will leave the program with a toolbox of strategies to help you, help your child manage starting school.

WORKSHOP DETAILS:

This 6 Week Online Program for Parents will cover:

- Individual planning session during the week of 31 July.
- **Monday 7 Aug WEEK 1: Online workshop:** New environments, new routines, new people! How can I work together with the school to make sure my child settles in well?
- **Monday 14 Aug WEEK 2: Online workshop:** How do I coordinate my early intervention team to help my child be ready for starting school?
- **Monday 21 Aug WEEK 3: Online workshop:** Getting ready for the playground and making friends. Preparing my child.
- **Monday 28 Aug WEEK 4: Online workshop:** Ongoing support and communication. Developing a plan with school to make sure my child continues to be supported and learning.
- Individual planning session, during the week of 4 September.

Group Parent Training Sessions: 7:00pm–8:30pm Mondays

The cost of this program can be covered using NDIS funding. \$835.76* for all 4 workshops and 2 Individual Sessions.
