

## Talkability<sup>®</sup> – Hanen<sup>®</sup> Program for Parents

# Speech and Language Program Online

## Wanting intensive Speech Pathology?

The Talkability<sup>®</sup> program is designed for parents of children ages 4–8 who are verbal with Autism Spectrum Disorder or social communication difficulties. The program is led by EarlyEd's Hanen<sup>®</sup> certified speech pathologist.

If you notice your child having difficulties with:

- talking with others
- playing with children their own age
- talking about things that interest someone else
- changing a routine without becoming frustrated

The Talkability<sup>®</sup> program can help you. In a small personalised group, parents learn practical strategies to support their child.

### The program consists of:

- 9 online parent training sessions.
- 1 Individual pre-program online consultation for you and your child.
- 3 individual video feedback sessions for you and your child.

### Online program dates:

9 parent training sessions: Saturdays 9:30am–12:00pm

Dates for the 4 individual sessions to be organised separately

**13 sessions from August to November 2023**
